ORDER CLOSING DOCKET

(Issued January 24, 2005)

On January 11, 2005, Aquila, Inc., d/b/a Aquila Networks (Aquila), filed with the Utilities Board (Board) a request for a waiver of the requirement in 199 IAC 19.4(3) establishing interest on customer deposits at 7.5 percent per annum to the extent necessary to allow Aquila to compute a different interest rate. The waiver request was identified as Docket No. WRU-05-1-225.

Also on January 11, 2005, Aquila filed proposed tariff revisions that included a proposed new methodology for computing the interest on customer deposits. The other revisions to its tariffs proposed by Aquila are designed to bring Aquila's tariffs into compliance with recent changes in Board rules, to clarify and eliminate ambiguity, and to change the date a bill will be deemed paid. The proposed tariff revisions have been identified as Docket No. TF-05-6.

On January 21, 2005, Aquila filed a withdrawal of the request for waiver. It is the Board's understanding that Aquila will also revise the proposed tariff filing in Docket No. TF-05-6, to remove the new methodology for computing interest on
